

- [Game Manual 0](#) - Tell new people to start here.
- <https://www.ctrlalftfc.com/> - Advanced programming & Controls.
- [Official FIRST Site](#) - To register officially register. There's lots of manuals but it's hard to navigate and overwhelming for new people. Start at GM0 instead.
- [Official FTC Docs](#) - Official docs but they are out of date. AVOID unless that changes. I don't remember how I found this.
- [donorsChoose](#) - Your teacher can setup projects for your team that get funded. Easy way to request equipment like a laptop.
- [SoCalFTC Discord](#) - Join to get local announcements, talk with local teams/volunteers, talk with our judges/refs.
- [Unofficial FTC Discord](#) - Lots of useful links. Communicate with all FTC folks.
- [FTCSIM](#) - Practice FTC programming basics. Great place to start to learn basics.
- [VRC](#) - Another programming practice website.
- [Official FIRST Team Grants](#) - Many grant opportunities that will send money directly to your FIRST account. Watch this every month or so, especially during offseason.
- [Chief Delphi](#) - Unofficial FIRST Forum. Mostly FRC but there's an FTC section.
- [FTC Reddit](#) - Another place to connect with teams.
